## How to Read the Bible Video Series

The BibleProject produces 100% free Bible video resources to help make the biblical story accessible to everyone, everywhere.

“From page one to the final word, we believe the Bible is a unified story that leads to Jesus. This diverse collection of ancient books overflows with wisdom for our modern world. Our Bible resources help people experience the Bible in a way that is approachable, engaging, and transformative. We do this by showcasing the literary art of the Scriptures and tracing the themes found in them from beginning to end. Rather than taking the stance of a specific tradition or denomination,

we create materials to elevate the Bible for all people and draw our eyes to its unified message.”
