Diocese of the Great Lakes Bishop's Visit

Bishop LeMarquand will visit the Bluegrass the weekend of October 16-17. He will be the guest preacher for the Apostles-St. Patrick's Sunday service of that weekend. There will also be three persons ordained to the priesthood in our sanctuary; families only invited; not open to the congregations.

Window project update:

The 10 large side windows in the sanctuary are scheduled to be replaced during the week of October 12-16.

Meeting Spaces for Small Groups

- We are preparing 3 spaces at Apostles for **small groups of 10 or less**. We are setting up the sanctuary, the youth room, and the fellowship hall for meeting space. The rooms will be set up for Covid safety standards: hand sanitizer and masks available; designated seating arrangements to keep social distance; adequate ventilation for the room.

If your group would like to schedule use of one of the rooms, please contact Sarah Freeman sarah@apostleslex.com or (859) 402-7594

Note: Thursday Encounter group will no longer meet

Outside the Walls...

- The Vestry voted in August to send \$5,000 to Uganda to help the ministries of Bishop Sam Kahuma and Canon Eric Twine during this Covid time. These funds helped pay church staff salaries and fund ongoing radio ministries (their version of online services) during their lockdown. This past weekend they just began to hold in person services again at a reduced capacity.
- We have partnered with Catholic Action Center and the Lexington Fair Housing Authority to help renters make application for funds set aside for the ongoing rental crisis due to economic fallout from Covid shutdown. 7 members of Apostles are making phone calls during the week to help people in crisis fill out applications for funds. This ministry is helping people avoid homelessness and also helping get funds to landlords who are facing the financial stress of unemployed renters.
